Towards Collaborative Planning of Infrastructure and Spatial Development – International Conference

Trafikverket, Rijkswaterstaat and ProRail would like to invite you to our international NUVit conference. Our kick off was held in Amsterdam in June 2016. This is the next step in international cooperation and knowledge exchange on multimodal infrastructure and urban development.

We will highlight the NUVit integrated planning approach, share our efforts and hopefully inspire you!

I am looking forward to welcoming you to Stockholm. I hope that you, as European policymakers, practitioners and experts in transport and urban planning, will share your valuable knowledge and experience at our international NUVit conference.

Kind regards,

Lena Erixon
Director General
Trafikverket

Sign up for the conference

Participation is free. Participants pay for their own travels and hotel nights.

A limited number of hotel rooms have been reserved at the Scandic Hotel, Infra City.

You can sign up for the conference by e-mailing Tomas Holmlund at tomas.holmlund@trafikverket.se before 10 March.

Please state your e-mail-address, organisation, if you want any of the reserved rooms. We would also like to know if you have any food restrictions or other important issues regarding your participation.
